SPRING 2011

DEAR CAMP LAUREL FAMILY:

Spring is here in New England. The sun is shining, the temperature is rising and the trees are blooming, all signifying the approach of another incredible summer season in the great state of Maine. It won't be long - Laurel's 62nd summer awaits us all. The countdown has begun...

The winter office in Westport has been a beehive of activity. Our leadership team recently returned from the annual American Camp Association Conference in Atlantic City. It's the nation's largest gathering of Camp professionals, and this event always provides great momentum as we ramp up the energy, excitement and planning for June. We then convened for our Spring Planning Summit at Jem and Debbie's in Weston, and we are in full-prep mode for your arrival. We can't wait!

The Outdoor Tripping reservations are made, the Intercamp and Tournament schedule is drafted, the Theatre scripts are written, the new GaGa court is finished, Julius C is booked for an encore (rock on!), Sports Night shirts are printed and the finishing touches are being put on the Rock-n-Roll facility (more on this inside). Our Soccer, Baseball and Lacrosse fields are now underground-irrigated, two new Mountain Biking tracks have been built, all the Tennis Courts have brand new fabric fencing and our four brand new Mastercraft Pro Star 197 Champion Ski Boats are ready to make a splash in Echo Lake. Wow...it all awaits you this June!

And what an amazing staff we have lined up for 2011...from returning administrators and veteran counselors to an excellent crop of first-year staff. Get ready...the 2011 Laurel staff is primed to make this summer the most special yet!

Enjoy the spring, study hard and know that June 25th will be here before you know it. We can't wait to see you all in Maine in a few short months.

Thanks, as always, for keeping the Laurel spirit alive!

Jem Debbie Keith

WELCOME FIRST-TIME CAMPERS

Here's to an amazing group of first-year campers psyched to join the Laurel Family. This final crew missed the winter edition of MooseTracks, so we can't wait to roll out the red carpet for...

Noa Konforty of Newton, Massachusetts. Great news that this New Englander is making the Laurel leap. Thanks to brother Nadav and sister Adi for paving the way all these years. Welcome to Frosh Acadia, Noa! Let's keep it in Newton and give a huge shout-out to Benji and Rachel Spetter Goldstein...all geared up for their inaugural Laurel summers. Benji is psyched to hit the soccer field with Senior Sequoia and Rachel can't wait for the thrills of Junior Acadia. Welcome aboard! What about Skylar Flynn of Newton? This new Baxter superstar is rarin' to hit the Laurel stage...*High School Musical* is calling your name, Skylar! Way cool! And rounding out the 617 crew is Justin Zukowski of Boston. This Bean Town sports fanatic can't wait to try out the Apache Sports Court. High fives all around for Justin! Welcome, welcome to our stellar cadre of Bostonians. If you think Patriots Day is rockin'...wait until you hit the ground running at Laurel.

Heading south down I-95...Greenwich, CT is home to Ethan Bastianich, who is all-systems-go for his first summer in Senior Apache. Welcome to the Pine Tree State, Ethan! Thanks to the Flamino family (and a special shout-out to Marc) for spreading the Laurel word to the Bastianichs and Ethan. Let's give it up for Daryn Golub of White Plains, NY, who follows in the footsteps of big sister Mikayla and joins twin brother Aidan (previously featured in the winter edition of MooseTracks). Daryn knows that Senior Acadia is where it's at come June...we can't wait to see you in Maine, Daryn! And Muttontown's finest, Alexa Schwitzer, gives us the green light as well. No stranger to Maine camping, Alexa is ready to call Laurel Equestrian her second home. So great to have you in the mix, Alexa! Great Neck, NY gets into the 2011 mix in the form of Sam Livers. This soon-to-be Sequoia all star is thrilled to be joining good buddy Bradley Goodstein in Downeast country. We can't wait to welcome you in Maine...sweet stuff, Sam! New York City is always a hotbed for Laurel stars. Joining the hit parade in 2011 are Justin Chi and Justin Sanchez, both psyched to join good friend Joey Dickstein in Maine. These Upper East Siders and NY sports enthusiasts can't wait to make their debut in Senior Bago. Get ready for the summer of your lives! Way to go, Justin and Justin! And Manhattan resident William Robbins is ready to rock in

Senior Apache. The 15 Laurel Tennis Courts are ready for your arrival, William! Awesome stuff!

Let's head further south...down to Hilton Head, South Carolina. That's where Liza Parinova can be found during the school year, but she's ours come June! Liza can't wait to test the waters of beautiful Echo Lake...and we can't wait to welcome her to Junior Baxter! Three cheers for Omry Alf of Coral Gables. This Floridian is psyched to join good friend Robert Baumann. Get ready for Laurel Tennis and Flag Football, Omry! Yesss! And let's sound the trumpets for Boca Raton's Jack Schwartz. Jack made his own "DECISION" declaring Laurel his new home. This Miami Heat fanatic hopes that LeBron, Wade and Bosh make a run deep into the NBA playoffs! Welcome to Junior Apache, Jack! And a round of applause for Meghna Sharma of Weston. Meghna can't wait to hit the scene in Junior Baxter, and we are pumped to welcome her come June! Thanks to the Hale, Weiss and Fromkin families for sharing the Laurel groove in south Florida. So glad to have you on the team, Meghna! And hailing from the Golden State of California is Nicholas Gorelik. Let's give this Beverly Hills resident a standing ovation as he is set for his first Maine summer! Thanks to Jackson Cohen for spreading the word on the west coast. Brilliant news, Nicholas!

There's a reason people talk about Maine in such glowing tones...and for that reason, many campers from around the globe are making Laurel their summer spot! Can you blame them? Madrid, Spain is home to Ignacio, Magdalena and Ana Gortazar, but come June will join us in Vacationland, USA. Thanks to the Bartolome-Noriega family for raving about Laurel all these years. Also hailing from Madrid are Alicia and Ignacio Vivas Hernando. Alicia is set for a beautiful summer in Senior Bec and Ignacio can't wait for the thrills of Senior Sequoia. What could make the summer better for this dynamic duo? How about being joined by their cousin, Ines Blanquer Vivas! Great news for Senior Bec that Ines will be making the trip across the pond...2010 World Cup bragging rights and all! Leading the charge from Germany are close buddies Tassilo Laubmann and Cedric von Halem, hailing from Munich. Readfield, Maine is where it's at in the summer for these guys! Awesome news! What about Diego Esparza of Xalapa, Mexico? He can't wait to hit the soccer pitch along with Sequoia. Awwriigghht, Diego! And rounding out our 2011 newcomers is Ava Hall...from Tokyo, Japan. Get ready for the sunny days and starry nights of a Maine summer, Ava! Thanks to friends and American School in Japan (ASIJ) classmates Alexis and Andrew Howe for spreading the Laurel word in the Far East. We can't wait to welcome you all in Maine this summer!

LAUREL ROCK-n-ROLL

We are wowed beyond words at our new Rock-n-Roll building. Wait 'til you see it! It sits just above the entrance to the Bec Campus and just below Tennis Courts 6 & 7. Also, the Rock-n-Roll building will also serve as the new home to WCLM 88.9FM "The Echo," our rockin' camp radio station!

The facility and program were designed with the collaboration of Pete Kalvert, owner and director of Music Ascension in New

York City, a company that promotes and designs music programs throughout the New York metropolitan area. You're going to love this amazing new Laurel program!

Activities offered 1st Rotation will include:

- ✦ Acoustic Guitar Instruction
- ✦ Electric Guitar Instruction
- ✦ Drum Instruction
- ✦ Keyboard Instruction
- ✦ Songwriting & Recording
- ✦ Beat Production
- ✦ Music Production & Audio Engineering

Get ready for *Beatlemania*, as Frosh and Junior Acadia and Apache *Come Together* for a revue for the ages!

LAUREL HAPPENINGS

While most of us love hamburgers and fries, we're keeping an eye on our menu and including many more healthy alternatives beginning this June. We met recently with Larry Cogle, our Food Service Director, and a nutritionist, who have reviewed our menu and suggested some revisions. Laurel food will be fantastic as always, but will be a little more whole-grain, a little less fried...and a lot healthier!

We've eliminated all sugared juices and now offer teas and flavored water alternatives. We're moving away from bleached-flour saltines and toward whole wheat pita chips and Triscuit crackers. We've reduced the amount of white rice...brown rice is the way to go. We've added more whole grains and

EATING WELL

yogurts to breakfast and bulked-up the salad bars with more beans, grilled chicken and fresh roasted turkey. We'll still feature the same great homemade desserts, but with more fresh fruit - pineapple, strawberries,

blueberries - built in. We've cut out some potato chips, but added whole wheat Sun Chips, Goldfish and pretzels. And we've expanded our healthy soup options at lunch. Everybody's traditional favorites (tomato, clam and corn chowder, minestrone) will be joined by home-style chicken noodle, southwestern black bean and butternut squash!

We know you'll love Chef Alton Lewis' food (2011 is his 31st summer at camp. Yes...that's 31 summers)! Alton's great food won't change! We've just upgraded the menu and made it better than ever. You'll still have the famous tacos, S-Day breakfasts (with fresh fruit smoothies this year!) and Saturday night pizza...we've just made the ingredients a bit healthier. We know you'll love it!

PAUL RABIL VISITS CAMP LAUREL

Remember Lacrosse fans... Paul Rabil, as first announced in the Fall 2010 edition of Moose Tracks, will visit Laurel in July. Paul, the superstar midfielder for the Boston Canons of the Major Lacrosse League, will conduct a full day of Lacrosse clinics and "chalk-talks." Coined "the LeBron James of Lacrosse," we're looking forward to Paul bringing his game up to Maine!

Laurel will once again offer Chef Camp to all Bec and Bago campers. Campers enrolled in this program will spend two half-day sessions at a garden-to-table working farm and kitchen facility about a mile from camp. The program is an introduction to culinary arts with an emphasis on food preparation, execution and plating. Campers prepare four-course meals culminating in delicious dinner banquets.

Session 1 ★*A Taste of Italy*★ features classic Italian cooking.

Session 2 ★*Asian Cuisine & the Far East*★ features a blend of Chinese, Japanese and Thai menus.

To sign up (Bec & Bago campers only), please complete the enrollment sheet included with the activity mailing or call us at 203.227.8866.
